Dear Dr. Babu:

University of Houston (UH) is holding a third session of the successful “Study in Houston Program” from June 1<sup>st</sup> to June 22<sup>nd</sup>, 2013. The session will take place in the new ConocoPhillips Petroleum Engineering Building at the University of Houston Energy Research Park, Houston, TX. This program will provide 32 select PDPU students a unique experience with U.S. faculty and petroleum companies possessing comprehensive knowledge in petroleum engineering.

The University of Houston Petroleum Engineering Program is pleased to invite you to accompany the student delegation for the duration of the Study in Houston Program. In addition to attending the course with the students, we look forward to discussing possible joint research projects, graduate student transfers, and other collaboration between our universities.

Regards,

Thomas K. Holley, Ph.D.

Director of the Petroleum Engineering Program
